Uniendo Voces: Advancing the Future of Latino Health

28th Annual NHMA Conference
Anaheim, Calif.
March 20-22, 2025

About NHMA

As the nation's leading Latino health resource and advocacy organization, the National Hispanic Medical Association has been working since 1994 to empower the more than 53,000 Hispanic physicians in the U.S. and its territories to improve Latino health conditions and access to quality health care in the United States.

What does NHMA do?

Advocacy

We leaders in public and private sector efforts that improve the health and wellness of Hispanic and other underserved groups.

Education

Our annual conference delivers an information-packed conference with educational sessions lead by experts and renowned speakers.

Leadership Development

We provide leadership development opportunities for Hispanic physicians and other health professionals.

Networking Opportunities

We provide career enhancement and growth for members through national and regional conferences.

Uniting Voices Uniendo Voces

A Network Like No Other

- Connect with hundreds of Hispanic doctors who are leaders in their fields.
- Engage in a multidisciplinary environment that fosters growth and collaboration.
- Access a network that brings physicians, students and other medical professionals together to bridge cultural gaps in healthcare.
- Help create networks that bring positive change to diverse communities.
